Beauty-n-Motion Walk 4 Wellness

This event will welcome local participants and donors to raise awareness of Preventable Health Diseases that affect Women of Color. The Beauty-N-Motion Walk/Run 4 Wellness gives supporters and sponsors invaluable exposure in local minority communities throughout S. California. This is the perfect opportunity to get involved in a truly worthy cause by becoming a Partnering Sponsor of the Beauty-N-Motion Walk 4 Wellness & Prevention Movement.

Beauty-n-Motion Walk 4 Wellness is the first ever Collaborative Health Prevention Walk / Run in the U.S. for Women of Color. National, Regional and Local Women Organizations, Sororities, and Health Outreach Groups will work together to raise awareness for Preventable Diseases and funds to support their programs in the areas of Health, Wellness and Fitness.
